Warmer Improved
Somerset Homes

We're here to help people living in Somerset stay **warm & well**

If you **struggle with high energy bills**,
your home is **cold, damp or draughty** or
you just want help understanding your
heating controls, then **get in touch**

Call today on 0800 082 2234 or 0117 934 1957

wish is a project run by the Centre for Sustainable Energy, working with Somerset Care & Repair and the Community Council for Somerset. It's funded by Big Lottery, with additional support from Yarlinton Housing Group.
